

PROJECT:-

CADANGAN KOMPLEK BARU KERAJAAN DAERAH KUALA LANGAT DI LADANG SUNGAI SEDU, JALAN KLANG BANTING, MUKIM TANJUNG DUA BELAS, DAERAH KUALA LANGAT, SELANGOR DARUL EHSAN

LOCATION :-

Sg. Sedu Estate (Main Division)
Klang-Banting Road, Kuala Langat

OWNER :-

Selangor State Government

PROJECT COST :-

RM23 Million

COMPLETION DATE:-

October 2005

DESCRIPTION :-

This project involved building a new District Office for Kuala Langat District.

The building stands 3 storeys high and is to be made the heart of the entire development of Sg. Sedu Estate (Main Division). The building is specially designed with local cultural heritage features and also being built on soft ground.

Soil improvement works were carried out on the site as the site was founded on soft marine clay. All infrastructure works were also designed to suit the ground condition.

Structurally the new District Office is founded on pile foundation and built with precast slabs and wall, beams and columns throughout the building. Upon nearing completion, the new District Office was awarded The Nippon Paint Design Award for Architectural Coating 2006.

SERVICES PROVIDED :-

- Feasibility study on the building location.
- Design of all infrastructure works.
- Design of reinforced concrete building structure and building foundation.
- Tendering and construction management.
- Construction supervision of the entire project.

Kuala Langat Administrative Centre District Office
