

PROJECT :-

YEN SO PARK, HANOI, VIETNAM

LOCATION :-

Hanoi, Vietnam

PROJECT COST :-

Investment By Gamuda Land Vietnam to Transform Yen So Park into a Distinctive Urban Landmarks to be the Heart of the City's Millennium Celebrations in 2010 is USD 400 Million

CLIENT :-

Gamuda Land Vietnam

COMPLETION DATE :-

Oct 2010 (targeted)

Yen So Park with total area of approximately 385 hectares, will be transformed into an International public park with urbanized neighborhood and a vibrant Southern Gateway that will enhance the charm of Hanoi as a stylish green capital city.

This new urban landmark will enable the people of Hanoi and visitors to enjoy healthy lifestyles and greater cultural and communal living.

The new Yen So Park is strategically located on the south side of Hanoi, adjacent to the proposed Victory Square in the districts of Hoang Mai and Thanh Tri, Yen So is easily accessible via National Highway 1 and Ring Road No. 3.

SERVICES PROVIDED :-
